ADOPTION APPLICATION

(This form is provided as a courtesy to Rescuers and the general public. Use of the form does not constitute a direct relationship between the user, and Rescuer and/or SRN.)

This completed application will help your Rescuer choose the best dog for you, your family, and your lifestyle and find the correct "forever home" for every rescued Schipperke.

Completing this application will help a Rescuer determine whether you would do better with an active or laid-back, dominant or submissive personality Schip. Please take your time and fill in every question in detail. Fill in all blanks. The less time on the phone trying to get answers to blanks on the questionnaire, the sooner a Schip gets a new home.

The adoption fee can range from \$50.00 to \$400.00, depending on the needs of the dog when he/she comes into Rescue and upon the wherewithal of the adopting family. Shelter fees, tests, medical needs, obedience lessons, etc., all play a part in how much the adoption fee will be.
